

# Join WebEx from a Browser

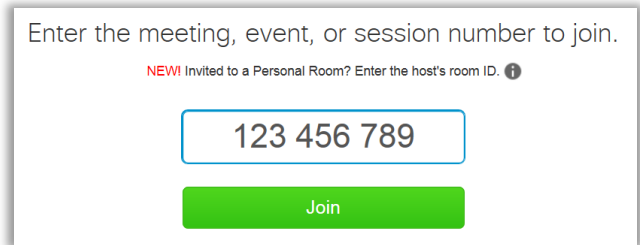

Seattle Children's IT recommends using Internet Explorer as you WebEx browser. The WebEx add-on has been installed for you.

1 Browse to

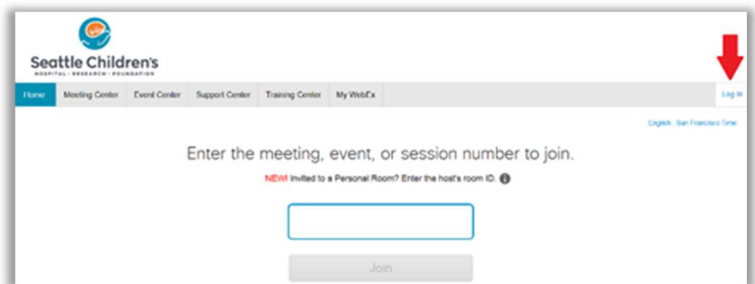

2

- Enter meeting number
- Select **Join**

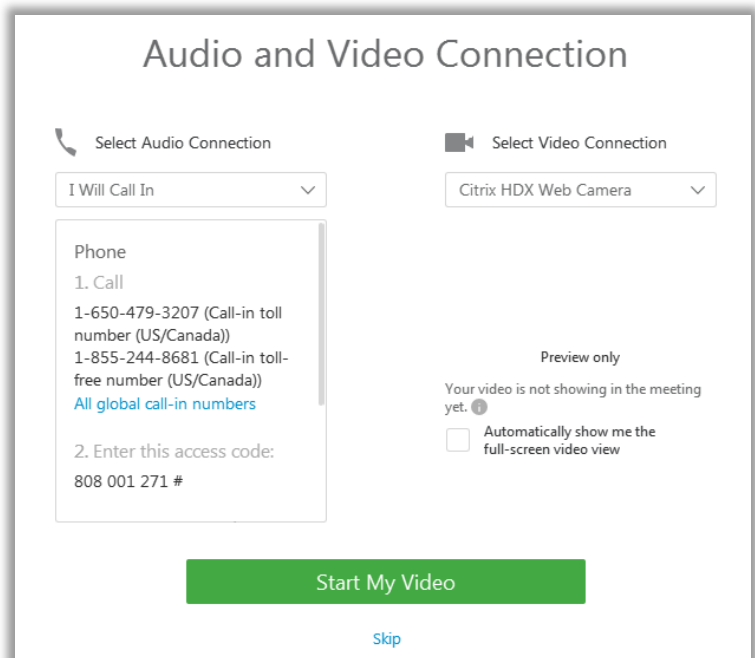

A screenshot of the WebEx join page. It features a text input field containing the meeting number "123 456 789" and a prominent green "Join" button below it. Above the input field, there is a prompt: "Enter the meeting, event, or session number to join." and a red "NEW!" notification: "Invited to a Personal Room? Enter the host's room ID."

3 Select **Login** at the top right corner

4

- To join the **audio**, select **I Will Call In** from the Select Audio Connection menu
- Follow prompts to enter
  - access code
  - attendee ID

A screenshot of the "Audio and Video Connection" screen. It has two columns: "Select Audio Connection" and "Select Video Connection". Under "Select Audio Connection", "I Will Call In" is selected in a dropdown menu. Below it, there are instructions for calling in, including phone numbers and an access code "808 001 271 #". Under "Select Video Connection", "Citrix HDX Web Camera" is selected. There is a "Preview only" section with a message "Your video is not showing in the meeting yet." and a checkbox for "Automatically show me the full-screen video view". A large green "Start My Video" button is at the bottom, with a "Skip" link below it.

5 To join **video**, choose your camera or no video from the Select Video Connect menu
